Dear Wally,

Thank you for the great work you have done for the launch of Bosch Benchmark series in 2014. Your speedy and efficient execution in completing multiple displays all across BC has ensured that Bosch full line kitchen appliances were displayed properly by the launch date. Also, your work at Midland appliances in Richmond for Bosch and Colony appliances in North Vancouver for Bosch and Thermador, have been very well received. We look forward to doing more creative, exciting projects with you.

Sincerely,

David Wang
